Welcome to Parkland Kindergarten. We are situated on Parkland School grounds with plenty of space for children to play, explore and learn.

Lifelong skills and the love of learning are promoted and celebrated at Parkland Kindergarten. Our friendly teachers understand the value of play, providing interesting opportunities for children to set their own goals, work through challenges and experience a sense of achievement.

Our close relationship with Parkland School allows us to attend school activities including junior assemblies, sports days and other exciting school events. We also take children on school visits and welcome visits from new entrant classes, teachers and the principal.

Our spacious, natural outdoor area, including a newly redeveloped sandpit and fort, provides many challenging and rewarding opportunities for children to play, explore and strengthen gross motor skills.

Individuality, diversity and culture are celebrated at Parkland Kindergarten. Input from parents, whānau and members of the wider community is highly valued. We invite you and your child to join us as we learn, grow and have fun together.
