**Kia Ora. Talofa Lava. Welcome to Mill Street Kindergarten where fun, creativity and community are key.**

Mill Street boasts a spacious outdoor area perfect for running, playing, dancing, exploring and having fun. Our abundance of space and wealth of outdoor equipment helps promote important gross motor and coordination skills.

Fun and creativity are celebrated at Mill Street. We love dressing up and hosting shared lunches, pet days, wheel days and discos. Families are encouraged to participate and contribute knowledge to enrich children's learning experiences.

Our teachers are passionate about learning and always looking for ways to improve kindergarten facilities. Literacy and numeracy are kindergarten strengths reflected in our many fun and challenging resources.

We are a fun, family-friendly learning community looking forward to welcoming you and your child.
