Kia Ora and welcome to Manchester Kindergarten, a welcoming and inclusive kindergarten working in partnership with parents and the wider community to inspire young minds.

Our friendly and experienced teaching team is passionate about supporting all children to become confident and competent lifelong learners. Our proximity to Manchester Street School and the church next door helps us form links with the wider community to enrich and extend children's learning.

We provide a wealth of resources and a stimulating environment to children's natural curiosity and allow active engagement with planned or spontaneous learning in groups or as individuals. Together we use digital microscopes, the internet and other tools to explore, investigate and discover. Our sustainability focus fosters an appreciation for the natural world and an understanding of our responsibility to care for the environment.

Diversity is a characteristic of our learning community and we strive to facilitate all children's learning needs. We are continually updating resources and undergoing professional development to ensure your child receives the best educational experiences whilst playing and having fun.

We welcome your visit at any time throughout the kindergarten term and look forward to embarking on a journey into learning with you and your child.
