Welcome to Hokowhitu Kindergarten, a spacious, well-resourced environment designed for three to five year olds.

Our qualified and experienced teaching team notices, recognises and responds to children's interests. We encourage perseverance, sharing, problem solving, interaction with others, responsibility and communication all whilst having fun.

Children's emerging interest in letters, words and numbers is celebrated and supported through a wealth of stimulating activities. Music and dancing are spontaneously enjoyed.

Our fabulous outdoor setting contains mature trees, and gardens that the children help care for. We encourage respect for each other, our environment and ourselves.

Teachers at Hokowhitu work with families to support and extend children's home experiences. We look forward to getting to know you and your family.
